Career Objective

- A highly motivated Computer science and engineer to leverage my knowledge in problem solving abilities, and programming expertise to contribute to innovative projects in a dynamic organization, while continuously enhancing my technical skills and staying at the forefront of technological advancements."

Degree	Institute	CGPA/Percentage	Year
Bachelor of Engineering	Aditya College of Engineering and Technology	8.89cgpa	2023-2027
12th	Vikram Independent PU College	87.33%	2023
10th	Sri Aravinda Composite English Medium High School	93.92%	2021

Technical Skills

- **Programming**: Python C, Java
- **Web development**: Html, Css
- **Databases:** MySQL,Sqlite
- **Tools**: Git, GitHub
- Data Structures and Algorithms, Operating System, OOPs, DBMS

Projects

➢ **"Price Comparison and E-commerce "** **2025 August – 2025 December**

Tech Stack: Python, Flask, Java, Spring Boot, HTML, CSS, JavaScript.

Developed a price comparison and e-commerce web application that compares product prices across multiple online platforms to help users find the best deals. Implemented product search, price listing, and redirection to seller websites for seamless purchasing.

➢ **"Cancer Prediction System"** **2025 September– 2025 December**

Tech Stack: HTML, CSS, JavaScript, Bootstrap, Python (Flask), MySQL

Developed a cancer prediction system using machine learning to analyze patient medical data and predict the likelihood of cancer. The model helps in early detection by providing accurate and reliable predictions.

Certificates

- Certificate on Completion AI for students: Build Your Own Generative AI Model.
- First Prize – Code Fix Clash (Bug Fixing Competition), ACET, 2024
- Secured 4th Place – SheLeads 2.0 Hackathon, Presidency University ,Bangalore 2026.
- Certified on Participant – INNOVATEX 2025: AI for Social Good Hackathon, ACET, 2025.
- Certified Participant – Technical Quiz Competition
- NPTEL course on Cloud computing
- The Complete data structures and algorithm course in python.
- Web development Course
- Certificate on Completion Agile Scrum Master

Languages Known: English, Kannada, Telugu, Hindi
